📍 Siduri 3, 11313 Tallinn

## ABOUT ME

Excite your audience with a voice that is so familiar and kind, that it feels like it's your best friend speaking. Reach out to multiple markets as I speak and perform in four languages fluently – Finnish (mother language), Estonian, English and Russian (2nd mother language). I have access to a high-quality studio and can organize remote recording sessions.

## SELECTION OF COMPLETED VOICEOVER PROJECTS
